

LED Lighting SMD Connector

E216871

ETB L40 SERIES

SCREWLESS TYPE

PITCH=4.0mm

FEATURES

- UL approved (UL1977)
- UL 94V-0 fire retardant plastics
- Low profile with small footprint (3.8mm height)
- SMD terminal with low inserting force cage clamp
- Push wire-release button
- Time-Saving screwless design

SPECIFICATIONS

- Pitch 4.0mm
- Wire range 24~18 AWG
- No. of pole per block 1P or 2P or 3P
- Rating 9 Amp, 320 VAC
- Housing LCP (UL 94V-0)
- Terminals Tin plated over Ni Alloy
- Springs Stainless Steel
- Operating temperature -40°C to +130°C
- Stripping length 7-8 mm / 0.28~0.31 in
- Dielectric strength 2.5KVAC (Min.)
- Insulation resistance 50MΩ, 500VDC
- UL Approval 320V, 9A, 24~18 AWG
